---

*Congratulations on your pregnancy*

---

**You have signed to enroll in the Mother & Infant Scheme. This scheme covers the cost of 6 visits to a Midwife or GP in Seapoint Medical Centre relating to your pregnancy. Patients with diabetes or hypertension may have up to 3 additional visits to the Practice Nurse/Midwife.**

**Care for other illnesses not related to your pregnancy, are not covered by this scheme. These should be booked in for a different appointment at a different time with your GP.**

### **Items not covered:**

- Medical issues unrelated to pregnancy e.g. respiratory tract infection, urinary tract infection
- Blood tests e.g. thyroid function, haemoglobin checks
- Private certs for work

### **The visits covered are as follows:**

- Booking visit – with your own GP
- 24 weeks visit – Practice Midwife
- 30 weeks visit – Practice Midwife
- 34 weeks visit – A Practice GP
- 37 weeks visit – Practice Midwife
- 39 weeks visit – Practice Midwife

- 
- Post Natal 2 week after birth of baby visit – Practice Midwife (baby only check)
  - Post Natal 6 week after birth of baby visit – Own GP (baby and mum check)

**We truly hope that your pregnancy goes well for you and that you can enjoy this exciting time.**
